

IL GECCO

Pinot Gris 2022

Style: Dry White

Winemaker Notes:

Pinot Gris is a pink skinned variety famous for producing crisp White Wines in Northern-Italy, Pinot Grigio (IT).

Sourced from poor sandy soils, yielding small, concentrated bunches and berries for maximum flavour and aroma. A minimalist approach to winemaking with natural fermentation in large 500L Old French Oak Barrels and 12-month maturation on fine lees. Refined and elegant, this wine is fruit focussed, a pure expression of its terroir and the hands guiding it.

No fining, only light filtration. Harmless natural wine crystals may occur.

Tasting Notes:

Colour: Medium Lemon

Flavour and Aroma Profile: Fresh notes of citrus blossom, gooseberry, lemon, nectarine, melon, and fleshy pear. Some dried oregano and sage to garnish.

The palate is broad yet elegant with stone fruit notes carrying through from the nose. A bright acidity supports and lengthens a creamy finish.

Soil: Weathered Granite

Wine of Origin: Stellenbosch

Bottles Produced: 1250

Technical Analysis

PH:	3.38
TA:	6.2
RS:	1.6
ALC:	13.00
BOTTLING DATE:	23-05-2023
